

DUNS: 122594583 | CAGE: 5TL33 | NAICS: 23816 | [www.coatesroofing.com](http://www.coatesroofing.com)

Serving over 25 states throughout the United States, Coates Roofing, Inc is experienced in installing built-up, modified bitumen, standing seam, EPDM, PVC, and TPO roofing systems. Since its inception on May 1, 1985, Coates Roofing, Inc has successfully completed commercial projects in 42 states, ranging in size from 5,000 to 500,000 square feet. Having worked on various projects including schools, department stores, warehouses, distribution centers, processing plants, data centers freezer, and industrial facilities, Coates Roofing, Inc crews are accustomed to traveling and working on out of town projects for extended periods. Logistical requirements of these types of projects are normal for our organization.
