## OFFICE

**Pinaire Roofing** has provided professional roofing services that cater to all types of office buildings. From single-story to high-rise facilities, the challenge is to eliminate interference with tenant activity. Our versatility lends itself to providing cost-beneficial solutions whether the project is simple or very difficult as indicative of high rise projects.

## RETAIL

**Pinaire Roofing** has worked with some of the largest REITS in the country. We believe that a successful project is defined by successful pre-planning, self-evaluation, or safety incidents and customer or tenant employee complaints. We understand how important the tenant is and their customers are, and will make sure that their needs are met every step of the way.

## HOSPITALITY

The hotel, resort and hospitality industry offers interesting challenges to roofers and property owners such as mixed materials, more roof penetrations, multiple levels and multiple uses. **Pinaire Roofing** understands these challenges. We've completed hundreds of similar projects and have the knowledge and data that allow us to complete these types of projects on time and on budget.

## HEALTHCARE

At **Pinaire Roofing**, we understand highly specified healthcare facility requirements, and we have the experience to meet them. We have served customers in the healthcare industry throughout the Southeastern United States, exceeding expectations every time. It is our priority to offer the utmost care for your facility, while maintaining a safe operation and minimal disruption to your business.

## INDUSTRIAL

Meeting the production demands of a large facility project require strict compliance with project management goals. **Pinaire Roofing** is no stranger to these projects. We pride ourselves on quality, selecting the proper system and application, and knowing the expectations of our client and their operational needs.

## MULTI-FAMILY

From low-slope roofing applications to extensive tile projects, **Pinaire Roofing** is able to scale our resources to succeed at any project. We have installed millions of square feet of all types of roofing systems from low-slope to tile. Multi-Family projects are no stranger to us.

## WHAT OUR CLIENTS SAY

### Joe F. – Nashville, TN

---

"I used Pinaire Roofing twice with **excellent results**. The first time was to replace our commercial roof on a 122,000 sq. ft. warehouse. I also used Pinaire Roofing for my personal residence. They were **professional** and a **pleasure to work with**. Both times they came in **on budget and before the estimated completion date**.

**I WOULD RECOMMEND PINAIRE ROOFING WITHOUT HESITATION."**

### Judith C. – Nashville, TN

---

"Pinaire Roofing replaced the roof of our large, old warehouse. The work was done in an **amazingly timely manner**. The work was **excellently accomplished**. The workers were **extremely careful** and **friendly** to work with. The owner was always in contact with us answering questions and **honoring requests**. I would recommend Pinaire Roofing for anyone seeking a roof replacement - small or big.

**THANK YOU PINAIRE ROOFING!"**
