ROOFCO GROUP

Who We Are at RoofCo Group

At RoofCo Group, we're more than a roofing company — we're a family. Built on grassroots growth, we are expanding through local markets by building real relationships, one community at a time. We believe trust is earned not by words, but by action, and our commitment is simple: we protect every roof as if it were our own family's home or business.

Our foundation is built on family-first values. When we step onto your property, we carry the responsibility of protecting what matters most to you — your people, your investments, and your future.

Just as important, we put safety at the heart of everything we do. With an industry-leading EMR of 0.54, we're proud to stand far ahead of the curve when it comes to protecting our team, our clients, and every job site we touch. Safety isn't a statistic for us — it's a promise.

RoofCo Group is trusted because we stand for quality, integrity, and people. As we grow across the country, we remain rooted in the belief that strong companies are built the same way strong families are — on care, protection, and commitment.

We are RoofCo Group. And we're here to protect your roof, your property, and your peace of mind.
