# WILLOUGHBY ROOFING & SHEET METAL, INC.

## WHO WE ARE

Willoughby Roofing & Sheet Metal, Inc. is a family owned business with roots dating back to 1946. At the beginning, the company was known as Willoughby Construction Company and was founded by O.M. Willoughby. O.M. started by developing one of Cullman, AL first residential subdivisions, building commercial warehouses, commercial retail buildings across the Southeast, and commercial roofing. In 1981, Willoughby Roofing & Sheet Metal, inc was established and has grown to one of the top commercial roofers in Alabama and currently has operations in every neighboring state, along with 3 satellite offices. Willoughby Roofing is licensed, bonded and insured to install for all roof systems.

## COMMERCIAL ROOF SERVICES

### Roof Replacement

Willoughby Roofing & Sheet Metal, Inc., has replaced a variety of roofs all across the Southeast. From rebuilding a new roof to replacing the top layer of a membrane, we cover every area of roof replacement.

### New Construction

whether you are an owner or general contractor, at some point you will need a roofing contractor that can handle the unique construction process of keeping your new building dry. Willoughby Roofing has many years of experience in dealing with new construction projects.

### Preventative Maintenance & Service

One way to prolong a buildings roof is through maintenance. We provide monthly, quarterly, and yearly inspections and cleaning to help keep your roof lasting longer.

### Architectural Sheet Metal

If your facility is in need of new gutters, downspouts, copings, dormers, or any other metal work, Willoughby Roofing Sheet & Metal, Inc. has a full service metal shop to assist in your needs.
